POSITIONING ON THE VEHICLE

The exclusive Autohome fixing system, with 2 "C" guide rods in the base, allows the tent to be fitted to any vehicle roof: family car, off-road, station-wagon with railing, SUV, camper, van, pick-up, sheeted vehicle, truck... Quick and safe, the system has 4 adjustable clamps – a standard feature – to position and secure the tent as required on any roof or railing, without risk and without needing to change the bodywork.

DELIVERY: The delivery terms are merely indicative. Any delays shall not be a cause for cancellations and/or indemnities of any sort and shall not entail any liability of the seller.

TRANSPORT: Upon receiving the goods, the Client is obliged to check the integrity and/or mishandling of the packaging and/or the possible lack of batches, with the obligation to immediately notify the carrier before the release of the goods, through a signed annotation on the bill of; if this procedure is not followed, no reimbursement will be given. Incomplete shipments with missing accessories if requested, due to the lack of warehouse availability, shall not give rise to complaints or indemnities of any sort. Returned goods will not be accepted without a written authorization of the Seller. If the goods dispatched will not be released, all the expenses shall be borne by the Client.

PAYMENTS: Except for particular agreements, the payments shall have to be made directly to the Seller. The down payments that may have been given will be considered as a confirmation according to ex Art. 1385 of the Italian Civil Code.

GUARANTEE: Every product was manufactured with the most suitable materials for their intended use. Autohome's quality control is marked by a series identification number that identifies the product, and guarantees an article without defects. Should defects be evidenced, the client may avail of the two-year guarantee, starting from the date the product was delivered. It will however be the Seller's duty to check the basis for the complaint of product defect, which must be relayed according to the deadlines and terms provided by laws. In case of a positive verification, the Seller shall provide for repairs, if possible, or replacement of the defective material. The guarantee shall not cover the defects caused by improper use or normal wear. The shipment costs will be borne by the Client, except when otherwise agreed. For more information, visit www.autohome-official.com.

WITHDRAWAL: The customer is granted fourteen days to withdraw from the remote contract or from the contract not agreed within the commercial premises, with no reason required and cost-free.

WARNINGS: To best appreciate and correctly use the products, we recommend that instructions and warnings accompanying the product be properly read. Please remember that any element applied on the tent will alter the normal conditions of the vehicle. Therefore, the speed must be suitably reduced. The manufacturer declines any liability in case of accidents that may arise due to improper use.

GENERAL CATALOGUE: The general catalog has no contractual value. Colors, weights and measurements are given approximately. The Seller and the Producer reserve the right to make any technical, esthetic and construction changes without any prior notice. Any disputes regarding the sales contract will be settled by the Court of Mantua. In cases where the buyer is a consumer, reference will be made to the local authorities as foreseen by law.

5* YEARS GUARANTEE

Every single Autohome product has been studied in detail and carried out by utilizing the most suitable materials for its expected use. The fifty-year experience concerning the products allowed the Company to choose suitable materials tested in any different weather and travel conditions.

Strict "Autohome Quality" controls assure that the product is faultless both concerning materials and construction.

*see notes in the instructions given with the product or ask for information: e-mail: info@autohome.it

The tents used the world over by Tour Leaders and Explorers, for extreme car rallies and expeditions, are identical to the standard production: the same product anybody can buy.

Each Autohome roof tent is marked by a Serial Number (label on the internal side of tents' inlet door), which distinguishes the tent and indicates the quality controls it has undergone.

It is recommended to carefully read the general instructions for use and maintenance, which are an integral part of the product and are supplied within its packaging. Pay attention not to lose them! In case of loss, ask for them to the point of sale or to info@autohome.it
